### **Club Minutes – July 2024**

#### **(Draft copy subject to agreement at next meeting)**

Minutes of the North West Scale Model Boat Club meeting 15 July 2024.

1. Apologies received from Mr and Mrs Sherriff.

2. All of those present were invited to sign a get well card for the Club President, Peter Knowles. He has been in hospital for an operation.

We also had an update on Club member Jim Hall from Bill Power. He is showing some improvement and is now able to see a little. Unlikely that we shall see him at the pond though.

Al Hudy, who had a fall prior to the May meeting is on the mend too.

We all look forward to welcoming them back to the pond!

3. The Chairman come Treasurer come Secretary reminded members that Leigh show is going ahead on September 14th and 15th with set up the afternoon before. That's the day before our next club meeting. The event is held at the Leigh Sports Village. Please park at the rear of the gymnasium. Exact times will be published when known.

The Blackpool Model Show is advertised in the August edition of Model boat magazine. That will be held on 19th and 20th October with set up the day before. Due to a clash of dates the committee will not be able to attend this year. Paul Fryer will be the point of contact. Kevin Fleming has agreed to transport the club regalia to the event even though he now lives in West Yorkshire. Thank you Kevin.

4. Any other business.

Dave Collier informed the meeting of a variety of events within the model world.

21 July Southport. Tugs and Trawlers.

21 July Goole open day.

28 July York (yo42 4ps)

17 & 18 August Bridlington on days. Highly recommended.

25 August Rawdon

1 September Liverpool

8 September Kirklees.

Laurence Bissel suggested a pagoda to be attached to the front of the shed for wet days. What ever we were to utilise would have to be very simple to erected and recovered. The club has previously agreed to purchase fisherman's umbrellas. The committee did purchase one independently but found it was very susceptible even in a light wind.

Paul Fryer suggested that the club show dates should be advertised on the notice board at the pond.

The posts of secretary and treasurer still require members to volunteer for please!

There going no other business the meeting was closed. Members being invited to purchase items on the tables at the back of the meeting.

Signed

The committee.
