## **Club Minutes – June 2022**

**(Draft copy subject to agreement at next meeting)**

Previous minutes read by the members and agreed as fair and accurate

Apologies from Peter Knowles, Kevin Fleming, Russel Webster

Not a lot to report this month.....

### **Matters arising**

#### Leigh Model Show

Sat & Sun 10<sup>th</sup> & 11<sup>th</sup> Sept 2022

ITs confirmed that the Leigh show is a two day event

#### Southport Model Boat Club Open Day

Due to double booking on behalf of your idiot club secretary (me) I was notable to attend this event – a few members did attend – a good day but a bit blowy by all accounts.

#### Aintree Model Show was noted for 6<sup>th</sup> August

The club has not booked a table to display but hopefully a few club members will attend as visitors to help support the event.

The Coppull Hobby and model show is back on again next year and we will be attending as a club as on previous years. Its on Saturday 25<sup>th</sup> March 2023.

### **Items for sale**

Dave Lawrance had picked up a large amount of model/boat related stuff that had been donated to the club and this was brought down to the meeting for members to buy and donate. Thanks to all club members who bought items.

Alan Huby also donated a new radio set that was purchased by Dave Collier – with donations going to club funds – thanks again to both of you.

Forms have been requested from the bank in order to change the club treasurer from Paul Fryer to David Southern.

It was asked If club members can go down and use the pond on other evenings other than our Normal Sunday / Wednesday days :- As a club we officially have use of the pond on Sundays and Wednesday only. Whilst we know the odd club member has popped down on other evenings to sail – we would have to recommend that

members stick to the usual Sunday / Wednesday sailing days to prevent any clashes on site.

It was proposed that we provide an honorary club membership to John Hilton who has been instrumental in our use of the Legion for the club for a number of years. This was proposed by David Lawrance and agreed by all members

It was a fairly short meeting this month - we will look at organising another talk over the next few meetings and a return of 'bring a boat night'
