Club Minutes – Oct 2021.....

(Draft copy subject to agreement at next meeting)

Matters arising

Blackpool Model show

Blackpool was reported as a good show. Specials thanks to club members who helped out setting up and displaying boats over the weekend by 'manning the stall' – Kevin Wilkinson, Paul Fryer,, David Perry, David Lawrence & David Southern.

The Club won two prizes at the show:-

'Best Tug Boat' owned by David Southern (Built by Alun Huby)

'Best Semi Kit' – built by David Perry

Upcoming shows :-

Coppull model show

Sat 20th March 2022

The club has been booked in to take part in the Coppul Model show. Venue is St Johns Church Hall - Hewlett Street Coppull Chorley PR7 5AD

Leigh Model Show

Sat & Sun 10th & 11th Sept 2022

Club agreed to attend

It was suggested that more club members try and attend these local shows to help out with the display, or at least attend them as they need local support.

The East Lancashire Model Railway show:-

Mill Hill Community centre Sat 15th and sun 16th January 2022

Thanks to Club Member Kevan Jones brought along a number of model boat hulls all up for sale at more than sensible prices (I purchased one to add to my now growing list of builds....)

It was confirmed that the club has not organised the usual December Sunday show that we have normally done pre Covid. This was simply down to the relative unknowns of the ongoing covid restriction at the time.

New Pond seating

It was confirmed that the work to pond seating will take place early in the new year.

Craig Sampson and David Perry brought along boats for members to see and both gave a little talk on each – both built pretty much during covid 'lock down'

North West Scale Model Boat Club

www.northwestscalemodelboatclub.co.uk

Craigs was a full 3D printed 'inflatable Rib with full working outboard engine

David Perry (thats me) brought along a large modern tug boat with own designed and built steerable azimuth pods.

Treasurers report

Club Membership renewals are due 1st January

Funds from previous sales of goods at meetings have brought in cash for the club, and some styrene sales and new membership fees have been helping boost the available funds.

Styrene stock was noted as running low and will be replenished next month

Cash £ 365.02
Bank £ 975.31
Total £ 1340.33

The club AGM

David Southern was nominated to take over Paul Fryers position as treasurer – no other nominations had been received and as such the remaining committee members are nailed into position for another year..

The new voted committee members are:-

Club President - [Peter Knowles](#)

Club chairmen - [Dave Lawrance](#)

Club Secretary - [David Perry](#)

Club Treasurer – [David Southern](#)

A massive thanks to Paul Fryer for his work as role of treasure over the last several years – Top man & free at last !

No changes to the club constitution / rules were requested

The next meeting will be on Monday 15th November

Suggestions for upcoming meetings:-

Dates for these have yet to be confirmed

Bring a boat night every alternate month

Talk on 3d printing

Talk on basic wiring up of your boats

Talk on Clyde puffers

Talk on building scratch models from plans
